

Consent Form for Initialization, FeliCa Data Erasure and Repair

Sony Corporation

The person who signs this agreement has the authority to dispose of wena wrist / wena wrist pro / wena wrist active / wena 3 (hereinafter referred to as "this product") and the data in the FeliCa chip installed in this product. Please confirm that you have this agreement and the contents of this agreement, sign at the end of this agreement, and attach this agreement to the product to be repaired. *Please note that if you do not sign this agreement, we will not be able to keep this product.

Regarding the initialization of the band unit If this

product is sent for repair, it will be initialized regardless of whether or not there is a problem. All data, history, etc. in the product will be deleted, and the product will return to its initial state (the state at the time of purchase).

Osaifu-Keitai® (FeliCa) Data Erasing All data (including electronic money and point

values) in the FeliCa chip of this product entrusted for repair will be erased. Please note that our company will not repair, compensate for, transfer, or restore the data in this product or the FeliCa chip installed in this product under any circumstances such as repair, theft or loss. Customers are requested to back up and save such data by themselves. * For the data in the FeliCa chip, use the support such as data migration and reissuance provided by the person in charge of providing Osaifu-Keitai® compatible service before requesting repair, and then migrate to a new product or after repair procedure to reissue it to this product. Please contact the person in charge of providing each Osaifu-Keitai® compatible service for procedures such as data migration and reissuance.

Repairing the band Please be sure to

remove the watch (head) before leaving the band. If you leave the band part without removing the watch part, our company will not be held responsible for any scratches or damage caused to the watch part or the end piece, etc. due to deterioration or sticking of the end piece, etc. when replacing parts. . Also, if this product (including end pieces and adjusters) has been processed or used with special adjustments, we may not be able to accept your request for repair. In addition, we cannot accept requests for repair of separately sold parts (other than this product and the included accessories), and even if there is a problem with the part, it will be returned after being removed from this product. Let me do it.

Other companies' products (clock parts, etc.) If you have

attached other companies' products to this product, please remove them and check only this product. If you leave this product attached to another company's product, we will not be responsible for any accident or loss of the other company's product during transportation, or any damage or damage that may occur when you remove the product, regardless of whether it is repaired or not. Please note that If it is difficult for us to remove the watch, such as at a watch shop, we cannot accept your request for repair. Also, even if it is possible to remove it, we will return the other company's product in the state that it was removed from this product after repair.

I agree to the above and request repair.
